beautiful DAISY VIOLET

START HERE —>

JOSEPHINE
Anyway, she's just a baby. She's growing.

THE ADULT
She certainly doesn't need any cake.

HENRIETTA
DON'T BE MEAN TO OUR SISTER

THE ADULT
Let's just all calm down a minute. Maybe you could get her some celery.
Daisy Violet, do you want some celery?

DAISY VIOLET
celery celery

HENRIETTA
She doesn't like celery.

JOSEPHINE
She needs high calorie foods like cake and cheese and live animals.

THE ADULT
That's not an appropriate diet for a young lady.
Someone should speak to her parents.

HENRIETTA
You are her parent! Because she's our sister!

THE ADULT
I'm certainly not. She smells bad and her hair is a mess. My daughters are clean and quiet.

DAISY VIOLET
angrily angrily

HENRIETTA
You're making her mad.

JOSEPHINE

You should apologize.

DAISY VIOLET

hungrily angrily certainly angrily

THE ADULT

Not to mention she doesn't speak politely.

HENRIETTA

She's still learning! She was just born two days ago.

THE ADULT

Nevertheless.

DAISY VIOLET

angrily

JOSEPHINE

You should apologize. She's upset.

THE ADULT

I never apologize to children.

HENRIETTA

Say you're sorry!

THE ADULT

I have nothing to apologize for. All I said was she doesn't need any more cake, judging from her physical appearance.

JOSEPHINE

That is offensive.

HENRIETTA

Everybody needs cake!

THE ADULT

Cake makes you fat. Little girls should be small.

HENRIETTA

Daisy Violet wants to be big and strong!

THE ADULT

Maybe she should reconsider her priorities.
If she were smaller, she could fit into a dress like yours.

I HATE THIS DRESS!
HENRIETTA

That doesn't matter, because you are wrong.
THE ADULT

AAGHHHHH HUNGRILY
DAISY VIOLET

(DAISY VIOLET bites off THE ADULT'S arm and eats it.
THE ADULT screams in pain.)

No, Daisy Violet!
JOSEPHINE

My arm!
You bitch!
You ate my arm!
THE ADULT

You ate our father's arm!
HENRIETTA

(DAISY VIOLET spits out some cartilage and tendon.)

Help! Somebody! I need a hospital!
THE ADULT

(THE ADULT runs off.)

That was very wrong.
JOSEPHINE

And you shouldn't have done it.
HENRIETTA

But also, we are grateful.
JOSEPHINE

We really are.
HENRIETTA

He deserved it.
JOSEPHINE

HENRIETTA

So let's just put it in the past.

DAISY VIOLET

bitch and the beautiful calorie hospital

HENRIETTA

That's right, he went to the hospital.

JOSEHINE

You're learning so many words!

(DAISY VIOLET burps.)
